

INDIAN RUNNER DUCK CLUB

The IRDC is run by established breeders of Indian Runners primarily to look after the interests of these very special ducks. It aims to help those who keep, breed or exhibit Runners.

During the course of a year there are three newsletters containing specialist articles on management, breeding, incubation, exhibition etc. and on the complex history of this remarkable duck.

Awards will be made at many of the principal UK shows. The Subscription for the UK is £7.00 per head per annum by cheque or bank transfer in £ sterling.

Payment can also be made via the website (£8.00 via PayPal). Please enquire by email for EU or Worldwide membership.

If you need help or advice from some of the most successful breeders and exhibitors in the UK, contact:
